The City of Wetaskiwin

That Wetaskiwin will receive the powers of a city at this first session of Alberta's Legislature is now a foregone conclusion. Although considerable opposition was raised at the outset, and the committee had decided to report unfavorably on the bill, yet through the determined effort on the part of our member, A. S. Rosenroll, M. P., and the pressure brought to bear on Thursday by the delegation from the council and influential citizens who went to Edmonton to meet the committee, the consensus of opinion was entirely altered, and the committee brought in a report unanimously in favor of granting the city charter to Wetaskiwin.

The bill will now be submitted to the House and will no doubt pass its third reading in a few days.

The member of Wetaskiwin has earned the gratitude of the citizens for the noble fight he put up in this matter, and to show the difficulty he experienced we take the following extract from the Calgary Alberta:

While this discussion was in progress, in committee, the door opened and in walked Mr. Rosenroll, who in addition to being somewhat of a strong debater, is also, the member for Wetaskiwin.

When he learned of the discussion he rose up in the air to a considerable distance and proceeded to discuss the bill.

He complained that Wetaskiwin was always getting the worst of it from Legislative authorities and that they seemed likely to get the worst of it in this case.

The people of the town had set their heart upon this thing and they would be disappointed and dissatisfied with Legislature if they failed.

"As for myself," said the now infatuated member for Wetaskiwin, "if this bill is rejected by the Legislature, I shall not return to this city. I want to see it passed."

It was explained that no objection had been raised to the granting of the powers, but considerable objection had been raised to the name given.

Mr. Rosenroll believed that it was a good thing for the province to have a number of cities on the map.

Mr. Stuart was of a different opinion believing that the village city was a matter of ridicule for the city itself and for the province.

Mr. Rosenroll referred to the incorporation as cities of Moose Jaw, Regina, and Prince Albert. "Has any harm been done in these cases?" he asked.

Mr. Cushing referred to the general action which would be brought in next session when a population limit would be made and towns would become cities automatically. That limit would be at least twice the population of Wetaskiwin.

Mr. Rosenroll said that he would make no objection if a regulation was made, placing the city limit at fifteen thousand, and providing that no city with less than half that limit by name.

The premier feared that such a regulation would mean that the city of Edmonton would ask for extension of its boundaries to take in Strathcona.

Mr. McCauley said that by the recent election it would be seen that Vermilion was larger than Wetaskiwin.

The principal of the bill will be discussed when the individual bills come up.

What causes Snoring

When asleep, people that snore breathe through the mouth instead of the nostrils, which are choked with catarrh. Just use "Catarrhophore" before retiring and you'll quickly cure the snoring habit. By destroying the cause of catarrh and healing membrane, Catarrhophore makes a complete cure in every case. It cleans the nostrils, stops the discharge, and prevents dripping into the throat in a few minutes. Nothing else does it or cures catarrh—that's worth remembering.

Communication

We do not necessarily endorse the sentiment expressed by this or any other correspondent under this heading.—[Ed.]

Work for the Fool Killer

To the Editor of the Times.

Dear Sir:—Please permit me to trespass on your valuable columns with the insertion of the following statement:

First of all, I wish to convey my sincerest thanks to Mr. A. J. Schneider, of this district, who in the recent prairie fire which raged through here on April 21st, voluntarily with all his efforts and exertion under hard labor and difficulties, stayed by me in defence of my property. This also may be said of Mr. Fred Holmberg, who with all his ability assisted in the same manner. In spite of all I suffered the loss of about 40 tons of hay, two stables, a pig sty, two barns, parts of machinery, building material, fencing, rails, posts, tools and other articles used on a farm, and more to be regretted, a lot of young growing and useful timber, valuable to me, and in my estimation valuable to the whole country.

Now let us all pray that some people may get some thought and not trifle with fire in these dry seasons and high winds, such as prevail frequently nowadays. It is only too easy to start a fire and let it run for miles and miles on to your neighbors land, agonizing them, endangering their lives and the lives of their animals, and causing general destruction of property. Yes, I will say, any fool can do that, but it takes more than one fool to put the fire out. Excuse me for writing these lines, but nevertheless they are justifiable. Prairie fires are of little use against dry weather and high winds, when the fire is blown and then over a whole section in a few seconds.

I will again thank Mr. Schneider and Mr. Holmberg for their noble action. I would not have been able to save anything except a pair of overalls, a jumper and a bundle of hay, burned and smoky block of land, not even desirable for a graveyard.

E. STRISON.

Rid the Country of the American Silver

To assist in the replacing of American silver coin by Canadian currency any of the three chartered banks in town will be glad to accept American silver of any denomination at par value in the usual course of business, or in exchange for Canadian money. The public are under the impression that the banks will not accept the American silver at its face value, but such is not the case; they are glad to receive it.

When you plan your meals you never think of bread, yet you always have it, and if it is left off the table it is the first thing that is missed. You can live without bread, but you can live without any other food with less hardship—think along these lines and the absolute necessity of bread comes home to you. And because it is a necessity, its quality should be the best—quality in bread depends largely upon the flour.

Royal Household Flour has convinced the women of Canada that it is the best for pastry as well as for bread. Try Ogilvie's Royal Household. Your grocer recommends it, because it gives such good results. Ogilvie Flour Mills Co., Ltd. Montreal.

New Record of Homesteads

At the suggestion of A. S. Rosen-
roll, Esq., M.P.P., the Hon. Frank
Oliver, Minister of the Interior, in-
structed A. G. Harrison, Agent of
Dominion Lands, Edmonton, to
look into the accommodation pro-
vided for settlers at the Wetaski-
win subagency.

Mr. Harrison came to Wetaski-
win on Friday last and reports that
there is too much work for one
man and that Mr. Ward, the sub-
agent, should receive more help.

A complete new record of all
lands taken in the Wetaskiwin dis-
trict will be supplied him on Mon-
day next so that the applicants for
land can see at a glance the homesteads
available. This will facilitate
the work a great deal and be of
much convenience to settlers.

Mr. Ward has had the largest
subagency in the Edmonton dis-
trict to handle and has done his
work well although doing two
men's work for months past.

Daysland

The enterprising citizens of Days-
land have unanimously decided to
have their first celebration on Vicer-
toria Day, May 24th, a complete
program of sports of all kinds being
arranged, comprising a baseball tourna-
ment, horse races and a athletic
events, for which \$500 in prizes is
being offered. One race horse has
been sold at \$150 will be given to the
best specimen boy (boy or girl) entered
in competition on that date, any boy
in Alberta being eligible to enter.
The Edmonton brass band will be in
attendance, and dancing will be held
in the evening when prizes will be
given for the best lady and gentleman
dancers. Further particulars will be
given later.

Knocks the Knockers

To the Editor of The Times.
Dear Sir,—If you will allow me
space in your valuable paper, I would
like to say a word to the town council
and other concerned reprobates and
knockers.

There are several real estate brokers
in town who have offices and are
therefore paying a considerable amount
of money into the town treasury
direct and indirect, and should be en-
titled to protection by the council.
These real estate agents are capable
of entering to the requirements of all
the land seekers who are in and about
Wetaskiwin. Then why should those
worthless reprobates and knockers
be allowed to work havoc among firms
of principle?

There are men right here who are
selling property on which they do not
make a cent commission, and by so
doing unwell, and at the same time
throw dishonourable reflections on
those who are trying to make an
honest and honorable living.

Mr. Standefer is one of those men
who sell real estate without any com-
mission simply for the sake of throw-
ing others out of making a sale. If
Mr. Standefer or any other knocker,
thinks this is an honorable way of
transacting business let me remind
him that he is fast losing any good
honorable business principle he might
ever have had. Any business man
or buyer who respects fair business
transactions should shun such a man.

Is it not true that the town council
and board of trade were taking active
steps to do away with such people? If
not only is an injustice to honest and
honorable dealers, but a disgrace to
our fair town.

A. E. McLEAN.

How to Cure Toothache

Any aching tooth can be relieved
instantly by the following method. Fill
cavity with batting dipped in Nervilleine
and rub the gums with Nervilleine also.
If the face is swollen and sore, bathe
the painful parts with Nervilleine cover
it with a towel. This can't fail because
Nervilleine kills the pain outright and
prevents pain from returning. Stronger
quicker, more satisfactory than any
other remedy. Nervilleine has been
the largest seller for nearly fifty

NEXT IMPERIAL BANK,

WETASKIWIN, ALBERTA

Town Topics

Mr. Dennis Dole, of Melvil, N. D., a friend of Mr. H. Sharlow, of this place, was a visitor to Wetaskiwin this week. He has purchased through W. J. McNamara & Co. Alf. Ellis' splendid farm on Angus Ridge, also the whole of Parkdale addition. Mr. Dole is enchanted with the town and district. He intends moving here immediately with his family.

Mr. R. J. Daley and family passed through town on Monday of last week to take up their residence on the ranch at Rosehill. Mr. Daley returned to town on Wednesday to look after business interests. While in Ontario he was interviewed by several of the leading papers and did much to turn the attention of prospective settlers to the Wetaskiwin district.

General West has severed his connection with the Imperial Bank and left on Monday morning last for the coast. General's hosts of friends here wish him every success.

Mrs. G. R. Taylor will be at home to friends on Thursday, May 3rd.

G. P. Sanderson, of O'Brien & Burgess' office, received the sad news on Tuesday that two aunts and three cousins were included in the list of dead as a result of the San Francisco earthquake. One of the cousins, Miss Paylow, formerly of Calgary, played before the Queen in England on July 21st last, while another cousin was to have been married next month.

P. Turner has purchased the building formerly occupied by the Bank of Commerce and is having it removed this week to a lot on Lerme street west. It is expected that the work of excavating will be commenced shortly for the new Bank of Commerce Bank.

W. J. McNamara returned on Monday from his vacation at Banff.

John Locke, who left this district last fall for Banff, accompanied by a hunter from Prince Edward Island arrived in town on Wednesday.

Frank Lerme wishes through The Times to extend a cordial invitation to all his old friends to enjoy a few days in the picturesque grove of any time but at the same time he will not permit the Sabbath day to be desecrated by parties conducting themselves in an unbecoming and unbecoming manner. Last Sunday a number of pioneers from town took possession of the grove and scattered target practice, emptying the lives of stock on the premises, as well as the lives of the family. These same individuals left a warning which might have wrought great destruction if it had

not been extinguished by Mr. Lucas.

The teachers of Wetaskiwin are giving an At Home in Angus Opera House on Friday evening of this week. A good dining program has been arranged and the same will be furnished by Mr. Lewis F. Linn assisted by Miss Knight.

Henwood & Wilkins have moved their offices from the Imperial Bank building to rooms in the new Merchants Bank block. The rooms just vacated by Messrs. Henwood & Wilkins will be occupied by Messrs. Leggie & Forbes.

An effort is being made to organize a baseball league in Northern Alberta, to include Edmonton, Stettin, Port Saskatchewan, Lacanville, Battleford, Daysland and Wetaskiwin. If everything proves satisfactory a meeting will be held here shortly to float the organization.

J. K. Gray, of west of Millet, had a young son in town on Monday having an arm set, he having had it fractured while playing.

H. A. Johnson, of near Seattle, Wash., arrived in town last week to renew acquaintances and look after some investments. It is over two years since Mr. Johnson and family left and he is surprised at the progress that has been made in Wetaskiwin since that time.
